Original Subj: FW: M/V EMERALD STRAIT / BUNKERING CALL AT BOLIVAR ROADS

Good evening Capt.,

Further to our previous message, please be advised Galveston pilots advised port movements at Bolivar Roads remains suspended and Bolivar Roads anchoring space remains congested. Pilots also advised channel traffic is expected to be suspended shortly to all vessel traffic due to deteriorating weather conditions (fog). At this time, pilot boarding schedule for your good vessel remains uncertain. We will follow up and keep you posted.

Best Regards
